MEETING PROTOCOL:

Agenda: All items are approximate except for public hearings and any other item agendaized at a specific time. Items on the agenda without a time designation may be taken out of order. The Board may combine two or more agenda items for consideration. The Board may remove an item from the agenda or delay discussion relating to an item on the agenda at any time. Items on the agenda without a time designation may not necessarily be considered in the order in which they appear on the agenda.

Speakers must come forward to the microphone, begin testimony by clearly stating their name, and direct all questions and comments to the Chairperson. The Chairperson will then direct the questions to the appropriate individual. Please avoid repeating testimony that has already been provided and be brief and to the point. Discussions on an item will be closed if they become long-winded, repetitious, or if members in support or opposition become rude. As a courtesy to all persons, please turn-off or set to a silent mode all cell-phones or pagers.

Public Comment periods are scheduled at the beginning and end of the meeting agenda with a time limit of up to three minutes per person. Additionally, public comment of up to three minutes per person may be heard during individual agenda items. The Board reserves the right to reduce the time or limit the total time allowed for public comment. The Board may prohibit comment if the content of the comments is a topic that is not relevant to, or within the authority of the Board, or if the content of the comments is willfully disruptive of the meeting by being irrelevant, repetitious, slanderous, offensive, inflammatory, irrational or amounting to personal attacks or interfering with the rights of other speakers. Persons are also invited to submit comments in writing on the agenda items.
