WITNESSETH:

That the County and the Contractor, for the consideration hereinafter set forth, agree as follows:

ARTICLE I. SCOPE OF WORK

Contractor shall furnish all material and perform all work in a professional manner as set forth in the Contract Documents for Response No. 2021-10/PWP-NY-2022-35. Contractor further agrees to perform all extra work necessary in connection therewith and under the terms as stated in said Contract Documents; and at his (it's or their) own proper cost and expense, to furnish all the bonds, materials, supplies, machinery, equipment, tools, superintendence, labor, insurance and other accessories and services necessary to complete the project in accordance with the terms and conditions and prices stated in said Contract Documents.

ARTICLE 2. NOTICE TO PROCEED, TIME OF COMPLETION, TERMINATION AND MODIFICATION/LIQUIDATED DAMAGES

The Contractor shall not commence work, nor incur any expense therewith, before it is notified to proceed with the work. The work to be performed under this Contract shall commence within one (1) to ten (10) business days of the commencement date set forth in the Notice to Proceed unless otherwise extended by written authorization by the Director of Public Works.

The following performance periods shall apply:

[A] The work, including any or all options and alternatives identified in Article 11, shall be substantially completed no later than sixty (60) business days from the Notice to Proceed date.

In determining substantial completion and/or final acceptance, the parties agree that the County's Director of Public Works shall be guided by principles of fairness and the efforts of the Contractor to comply with designated performance periods.

[B] TERMINATION

1. County shall have the right, at any time to terminate the Contract, without cause, with thirty (30) calendar day's written notice.
2. Upon termination of this Contract, other than for Cause, County shall pay Contractor for that part of the work completed satisfactorily to the date of such termination at the rates set forth in this Contract and all applicable documents which, by reference, are made a part hereto.

[C] MODIFICATION/CHANGE ORDER

This Contract may not be modified, amended, supplemented, or extended except by written document executed by the Contractor and the Nye County Manager.

[D] LIQUIDATED DAMAGES

Should the work not be complete within the specified time for completion, the Contractor will be liable for liquidated damages, payable to County in the amount of Five Hundred Dollars (\$500.00) for each working day beyond the deadline taken for completion, as provided herein. All rights and remedies of the County are cumulative and not exclusive of any other rights or remedies that may be available to County, whether provided by law, equity, statute, or otherwise. However, the liquidated damages provision set forth herein is County's exclusive remedy for Contractor's breach as specifically defined in ARTICLE 2 [A]. County may elect to withhold the liquidated damages from any payment to Contractor.

ARTICLE 3. THE CONTRACT SUM

The County shall pay Contractor, \$ _____ as full compensation for furnishing all materials and labor and doing all the work in strict accordance with relevant plans and specifications and to the satisfaction of the County, amounts as set forth in this Contract. The Contract total is to be paid based upon actual accepted quantities multiplied by the unit prices as specified in the Response, unless otherwise stated in the drawings or specifications.

Ten percent (10%) of the amount ascertained will be deducted and retained by the County until after the completion of the entire Contract in an acceptable manner. After fifty percent (50%) of the work has been completed in an acceptable manner, the County may, at its discretion, reduce the amount retained to no less than five percent (5%) of the value of the completed work.

No monies payable under this Contract may be assigned by Contractor except upon prior written consent of the County.

ARTICLE 5. ACCEPTANCE AND FINAL PAYMENT

As soon as practical following completion of the work, the Contractor shall make a written request to the County for final inspection and acceptance of the work. If, in the County's sole discretion, all provisions of the specifications and Contract have been satisfied, the County will cause a Notice of Completion to be filed with the County Recorder.

After forty (40) calendar days, immediately following the filing of the Notice of Completion, the remaining balance shall be paid, providing that:
